Title: Need to implement the scheme of social security for women farm workers throughout the country particularly in Tamil Nadu-Laid.

DR. V. SAROJA (RASIPURAM) : Social Security for farm workers through Self Help Groups, Ministry of Labour, Government of India and LIC proposed a novel scheme in 50 districts in Rajasthan to empower the women through Self Help Groups and Micro Credits System. They will be covered with Insurance policy. Government of India, Ministry of Labour and LIC will pay Rs. 735 and the individual will pay Rs. 365/- year. Will the Government of India come forward to extend the scheme to all the States. 20 lakh women registered under self help in Tamil Nadu may be provided with the Insurance cover besides empowering them economically.
